

St. Ann's J&I School Parental Information Sheet.

What date does school start?

We will re-open for Foundation, Y1 and Y6 children on **Monday 15th June**

What time does school start and finish?

Year Group	Time
Foundation	9am-12pm
Year 1/ KS1	9am - 2:45pm
Year 6/KS2	8:45am - 3pm

Please note that on a Friday, ALL CHILDREN will finish at 12pm

Which gates are open?

In order to keep social distancing guidelines and keep parents and children safe on the school grounds, we will open the large gates on **York Road** and the gate at the bottom of **Cottenham Road/ Fitzwilliam Road**. The gate on **St. Stephen's gate** will be an **exit only point**.

Children that are brought to school in a car can be dropped off on York Road or at the bottom of Cottenham Road.

Path leading down to York Road

Fitzwilliam Road/ Cottenham Road

Where do I drop off my children?

Foundation to be dropped off at the door to their classroom. Parents to follow the signs from the York Road gate (see photo above.)

Y1 children to be dropped off on the Junior playground, next to the Y2 classrooms.

Y6 and other KS2 children to be dropped off on the Junior Playground, next to the top field, where they usually line up following break times.

Y2 Classrooms

Junior Playground

There will be someone there to meet and greet you. You will be asked to stand at a safe distance waiting point (see cones).

Parents can also pick up their children from these points. Please wait on the cones provided and we will bring the children to you.

What does my child need to bring to school?

We ask that your child comes wearing their school uniform and also brings a coat.

Suitable footwear to do physical/ outdoor learning - such as trainers.

A drinks bottle - labelled with their name.

A snack for break times (optional)

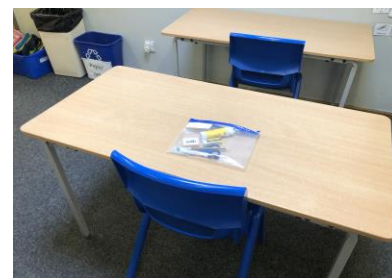

A packed lunch - one will be provided for children who receive 'free school meals.'

How will you keep to social-distancing rules in school?

We have new sign in school which promote the rule of 'KEEP LEFT.'

We have created 'bubbles' of up to 8 children in one classroom. This bubble will be given the name of a tree to encourage a sense of belonging.

Children will learn and have their breaks and dinner in these groups, children have their own resources. The desks are spaced out.

What will the children be learning?

There will be a learning focus each week and this will cover the national curriculum subjects. There will be lots of fun, practical activities including learning outdoors. There will also be learning around keeping both physically and mentally healthy and helping children understand the current issues that we find ourselves dealing with.
