

Children in primary school are too young to be on Tick Tock because....

Strangers can follow your children

If your child's profile is open, strangers can contact them through this app. These may be adults who wish to harm your child.

It has unsuitable content

Some of the videos posted may not be suitable for your child to see. Some videos have promoted **violence, self-harm and videos with adult content.**

It can be expensive!

Your child can buy virtual coins in exchange for virtual gifts. These can be expensive. There is an option to buy 10,000 coins for **£97.99 with one click.**

It has Dangerous events and challenges

On Tick Tock there are always 'trending challenges' and hash tags that users can copy and build upon. Sometimes these can challenges can be dangerous to take part in.
