Dear Children,

Firstly, may I say how good it feels to say **we will be back at St. Ann's Primary school on Monday 8th March** - I really have missed you all. It is so much more difficult for all the teachers and support staff in school to teach you at home, we much prefer doing this face to face.

Thank you for all of your hard work with your home schooling - I hope that you have thanked your family for supporting with this too, it has truly been a team effort. There have been some amazing uploads on Seesaw - I really have been impressed.

St Ann's have given out lots more devices, lap tops, IPADS and tablets and we will be using these for exciting homework challenges in the near future.

Up until the Easter holiday (three weeks) we will continue to finish school at 12pm on a Friday and unfortunately there will be no breakfast club or after school clubs. BUT after the holiday, this may well change.

We will stick to the same arrangements for entering and leaving school - same 'drop off' and 'collection points' and we will still have to socially distance and wash/sanitise our hands regularly. We will ask that your parents/carers do wear a face mask if they enter the school site, you may also wear a face mask whilst outside and remove it and give it to your parent/carer or store it safely in a plastic bag for home time.

One change that we have made is that you may now leave via the York Road gate too. Cottenham Road gate is an exit only point because it is very narrow.

The school day will once again start at 8:30am when the gates open, register will be at 8:45am and you will leave at 3:15pm - same as before the Christmas break.

Keep going with the home learning packs children and I look forward to seeing you all on Monday morning - 8th March.

Yours faithfully

Mr L. Rowan - Head Teacher
