QUEEN ELIZABETH II'S PLATINUM JUBILEE

The whole country will be celebrating this event on the Thursday/Friday during the school holidays.

This is a monumental occasion simply because The Queen is the longest serving monarch in history across the whole world.

On Thursday 26th May, we will join together to experience a whole community celebration - we will decorate classrooms and tables, eat outside, play games from across the decades that she has been Queen, give the children some special jubilee treats and finish with a whole school assembly.

Platinum represents 70 years on the throne and is a white metal more expensive than Silver and even Gold.

As part of the celebration on Thursday 26th May, children can wear:
RED, WHITE or BLUE the colours of the Union Jack (or a combination of all 3) or
alternatively wear **PURPLE** -
Purple is a colour that is linked to royalty.

Breakfast Club

Just a gentle reminder that we run a FREE Breakfast Club every morning from 7:45-8:30am.

The children receive a healthy breakfast before taking part in some creative or physical games.

Please see you child's class teacher if you are interested in your child/children attending this FREE service.

We have had just under 40 children each day last week

Congratulations to Y6

Can I say from the bottom of my heart just how well our oldest children did in their week-long SATs exams.

They had six tests to do over four days and they equipped themselves brilliantly - taking each day with confidence and enthusiasm.

We are so proud of them all because they tried their very best - please congratulate your child if they are in Y6 because they did you proud as parents/ carers. Well done guys!
