There are many exciting things happening over the next two weeks

## Next Week.

Monday 6<sup>th</sup> December

**St Nicholas Day (Mikulas Celebration)**

### MIKULAS CELEBRATION

At St. Ann's Primary School, we celebrate all of the different days that families from different cultures like to celebrate - promoting the message of a multi-cultural school and society.

Your children will be visited by St. Nicholas and an Angel and be given small gifts if they have been well behaved.

St Nicholas will also be giving out prizes for our Christmas card competition.

## Christmas Show – rehearsals and recordings, all week.

As part of our Christmas project- we have all been learning about how different countries celebrate Christmas. We will be producing a Christmas show, with the help of students from RCAT, involving all of our children and the video will be available for you all to watch.

## Christmas Dinners –

**Thursday 9<sup>th</sup> December and Friday 10<sup>th</sup> December**

On two days next week, children will have a traditional Christmas Dinner - we serve chicken or Halal chicken, combined with all the vegetables. To add to the atmosphere we have Christmas music and pull Christmas crackers - the children love this experience and the staff join them in this celebration.

## Christmas Jumper Day – ‘Save the Children.’

Wear your Christmas jumper or other Christmas outfits and make a small donation to a charity called 'Save the Children,' which helps children who are vulnerable to have the best possible Christmas.

Can I say thank you for your 'Children in Need' donations - we raised a massive £170.

## The week after

### A Christmas Film

Your child/ children will enjoy a cinema experience in our theatre and watch a children's Christmas film.

## Friday 17<sup>th</sup> December – Christmas Parties

After playing traditional Christmas party games and having a visit from Father Christmas, your child/ children will receive a party bag to take home with them filled with treats.

Parent Calls - as part of our policy of updating you on your children's progress, we have opted for individual phone calls. Some of you may have had these already. Please ask your child's class teacher any questions you may have.

**PLEASE MAKE SURE THAT WE HAVE YOUR MOST UP TO DATE MOBILE NUMBER**  
Rest assured we are still operating in year group bubbles - limiting the mixing of children and staff across classes, to help limit the number of covid cases in school. Mr Rowan.
