St. Ann's Primary School - Newsletter 14th October 2021

Reading Guarantee

St Ann's primary School has signed up for the launch of the South Yorkshire Reading Guarantee.

This means we have made a commitment to focussing our time on teaching our pupils to read and promoting them to read for pleasure.

Did you know?

Children who read for pleasure are more likely to be successful in school.

At St. Ann's, we have always invested a lot of time focussing on reading and we have recently purchased a successful phonic reading scheme which we are teaching twice daily. It focusses on the single sounds in the English language (phonemes) made by:

A single letter (for example I, a),

A pair of letters, a digraph, (for example - ch)

Three letters, a trigraph, - (for example - igh) or

Four letters, a quad graph, (for example - ture

School Times

The school day starts at 8:45am

We have too many children arriving after this time which is not acceptable for a number of reasons;

1. **The lost learning time** - coming late severely affects your child's learning - even 10 minutes a day adds up to 50 minutes a week which is a whole lesson behind their classmates.
2. **The effect on their self-esteem** - when your child enters a classroom late, all of their classmates notice this and some children can feel very anxious, worried or embarrassed at this time.
3. **The effect on other school protocols** - it affects the teachers' teaching, the cooks' orders for lunches as well as the staff at the main entrance.
4. **Being late is not a good trait or characteristic** - Would you turn up to work late regularly? Questions about attendance and punctuality are always asked in a job application - so please do not a poor routine for your child.

On Monday we will be closing all of the three school gates at 8:45am

If you arrive after this time - this means that **your child is late!**

They will be recorded as late in the register and you will need to walk round to the **St. Leonard's Road entrance.**
