St. Ann's Primary School - Newsletter 1st September 2021

Good morning parents and carers- I hope that you have had a lovely summer and that your children have managed to have a good rest and also make some ever lasting memories.

As you may have heard or read in the news - COVID 19 is still amongst us and will be for years to come. However, we must try and return to some sort of normality and make up for the lost learning that has occurred over the past two school years.

Some things will change and some of the rules will stay the same but we will be constantly reviewing where we are and communicating with you accordingly. This is why we need you all to have PARENT HUB on your phones or children's devices please. We can help with this and will be contacting you if you are not yet set up.

Organisation

The school day will remain the same - **8:30am - 3:00pm**

You can enter and leave the school at any of the four gates - **St. Stephen's, St Leonard's, Cottingham & York Road.**

You can drop off and pick up your children from the **classroom doors.**

Children will still **wash their hands** regularly.

Classroom windows will be open for **ventilation.**

We still ask that you adhere to the **social distancing** rules where appropriate.

Face masks are optional

Payments for school meals, school uniform and school trips will continue to be done digitally via **Parent Pay** (part of teacher2parent app).

If a child shows symptoms for COVID they must isolate BUT must then be booked in for a test.

If a child tests positive for COVID then the remainder of the class remains in school.

PARENT HUB

Please, please, please download Parent Hub.

Newsletters, messages from myself or the class teacher can be sent out as one which helps if we need to contact you quickly - like for the Free School Meal vouchers.

We will contact you in September if you have not yet signed up for the app.
