

How to Use this Booklet

Dear Parents,

We want children to feel happy and safe about coming back to school. We know it will be a bit different but we will make sure it is a happy place for them.

Please help get your child ready to come back by talking to them about what school will be like. Show them the pictures in this book and talk about what might be the same and what might be a little different.

Let them know that their teachers will always be there to look after them and that there will be lots of fun things to do.

Hope to see you soon,

From the Foundation Stage Team

FOUNDATION STAGE

Re-opening of St Ann's Junior
and Infant School

Information for Children

Table of Contents

- Learning at School1
- Safety at School2
- The School Day3
- Drop Off, Pick Up and Lunch4
- Bubble Groups5

Bubble Groups

We will be part of a 'bubble' group with other children. We will do all our learning with our bubble group.

Miss Smith and Mrs Peerbaccus will look after the Yellow Bubble.

Mrs Ishmilh and Miss Ahmed will look after the Green Bubble.

Mrs Lynch and Miss Hamner will look after the Blue Bubble.

Drop off, Pick up and Lunches

Our parents will drop us off and pick us up from our 'bubble' group classroom door.

We will wait on the colour spots.

Teachers will look after us really well because our parents can't come in with us.

Free Lunches

We can choose a lunch to take home with us, for free! We will have a sandwich, fruit, drink and a snack.

Learning at School

Playing and Talking

There will be many fun things to play with. We will play inside and outside.

This will help us learn to talk and make friends.

Reading and Writing

We will do phonics and share stories and rhymes.

This will help us learn to read and write.

Maths

We will play counting and shape games to help us learn Maths.

Safety at School

School Rules

Grown-ups will help us wash our hands for 20 seconds, throughout the day. They will help us catch our coughs and sneezes in tissues and put them in the bin.

We will play and learn in our own spaces in our own bubble groups.

There will be 4 bubble groups, the red bubble, the blue bubble, the green bubble and the yellow bubble. We will stay with our bubble friends and grown-ups all day.

Each bubble group even has their own toilets to use!

Grown-ups will keep cleaning our toys and the classroom. We will not share toys with other groups.

The School Day

9:00

- Come to school
- Wash our hands
- Do our morning job

9:30-11:30

- Playing and talking
- Phonics
